Wish Travel

Licensed Japan Tourism Agency (Saitama No.3-1257)

Founded 2016

"Authenticity. Stories. Inspiration."

At Wish Travel, we believe that a journey is more than movement from one place to another—it is an encounter with stories that stay with you for a lifetime.

Japan is a country where authenticity lives in every detail: in the centuries-old craftsmanship of artisans, in the quiet traditions of local communities, and in the warmth of the people who welcome you.

We design travel experiences that go beyond sightseeing.

Our mission is to connect you with the real Japan—its untold stories, its cultural depth, and its timeless beauty.

Whether you are sharing a tea ceremony with a master, discovering the history behind traditional crafts, or relaxing in an exquisite ryokan, every moment is crafted to inspire.

With thoughtful tour design, seamless operations, and meaningful cultural encounters, Wish Travel brings you journeys that feel personal, immersive, and unforgettable.

This is the spirit that guides every experience we create.

Discover Japan with Wish Travel—where travel becomes a story worth remembering.
